Notice to Comply

June 14, 2018

Mr. Kevin Fry,

A stop work order is being issued immediately for all excavation work performed at the Kendal at Lexington construction site located within the City of Lexington except for that work which is necessary to install the primary perimeter control measures called for in the approved erosion and sediment control plan for the SB West basin. Your permit is in violation of section 178 of the Lexington City Code pertaining to violations and penalties for erosion and sediment control. The property must be brought in compliance with the approved erosion and sediment control plans. If the property is not in compliance by noon on June 22, 2018, a stop work order will be issued for all construction activities.

Sincerely,

Noah A. Simon
City Manager
City of Lexington
