Lexington Architectural Review Board
Thursday, January 21, 2021 – 4:30 p.m.
Live Zoom E-meeting
Lexington City Hall
MINUTES

Architectural Review Board:

Present:

C. Alexander, Chair

R. LeBlanc, Vice-chair

E. Teaff

A. Bartenstein

B. Crawford, Alternate B, arrived at 4:38

City Staff:

Arne Glaeser, Planning Director

Bonnie Tombarge, Administrative Assistant

Absent:

J. Goyette

CALL TO ORDER

A. Glaeser called the meeting to order at 4:30 p.m. He opened with a statement saying that due to the COVID-19 pandemic, the City is taking measures to limit attendance at public meetings. The Lexington City Council had approved an emergency ordinance allowing for public meetings to be held through real-time, electronic means. The meeting and packet were available on the City's website, the meeting is broadcasted to the City's Facebook page and the recording will be posted to Youtube the following day.

AGENDA:

Agenda was approved unanimously (R. LeBlanc/A. Bartenstein).

MINUTES:

Meeting minutes from January 7, 2021 were approved unanimously with changes by A. Bartenstein (R. LeBlanc/C. Alexander).

CITIZENS' COMMENTS ON MATTERS NOT ON THE AGENDA:

None.

NEW BUSINESS:

A. COA 2021-02: an application by Deborah Pollard for a Certificate of Appropriateness for improvements to 5 Jordan Street, Tax Map # 22-12-1, owned by Deborah Pollard

- 1) Staff Report – This is an application to approve a Certificate of Appropriateness (COA) for a new carport at 5 Jordan Street. The carport is proposed to be located in the rear yard with access from Colonial Lane. The carport will be a concrete slab base with columns. The columns will have brick bases and wooden tops. There will be a small storage room with painted wooden siding. The roof will be peaked and shingled to match the house, which has grey shingles. The columns and siding will be painted to match the house. The carport will be 27 feet long and 12 feet 11 inches wide. R. LeBlanc confirmed that all setbacks are met.
- 2) Applicant Statement – Debbie Pollard – said she had her property surveyed late last

year. She said she has spent the last five years making improvements to the yard.

- 3) Public Comment – None
- 4) Board Discussion & Decision – R. LeBlanc moved to approve the application as presented with the requirement that the materials used will match in texture and color the materials on the house as much as possible. E. Teaff seconded and the motion passed unanimously (5/0).

OTHER BUSINESS:

ADJOURN:

The meeting adjourned unanimously at 4:50p.m. (A. Bartenstein/R. LeBlanc).

C. Alexander, Chair Architectural Review Board

Project Name	Electric Pilates Exterior Improvements and Signage
Property Location	22 West Nelson Street
Zoning	C-1 (Commercial District (Central Business)) and Historic Downtown Preservation District
Owner/Applicant	Courtney Cabaniss / 22WN LLC

OVERVIEW OF REQUEST

This is an application to approve a Certificate of Appropriateness (COA) for exterior painting and for new signage for the Electric Pilates business at 22 West Nelson Street.

22 W. Nelson Street existing conditions

The improvements proposed consist of repainting the exterior trim on the building in black color. The applicant prefers the Tricorn Black (SW 6258) color and there are three other black color samples submitted with the application for consideration by the ARB. There will be a wall sign above the front door composed of individual stud mounted brass letters with a painted brass lightning bolt. The individual letters will be 1 inch standoffs from the building. There will be vinyl decals of lightning bolts applied to the windows on both sides of the door, and the door will have a 20 X 16 inch vinyl decal with EST. 2020 Electric Pilates on it. The words appear to be in a brass metallic color and the lightning bolts appear to have three outlines in purple, brass, and pink. Lastly, there will be a translucent white frosted film applied to the lower portions of the front windows for privacy.

ARB Considerations

Section 420-8.5.A. (Historic Downtown Preservation District) requires a Certificate of appropriateness. No improvement, structural or otherwise, in the Historic Downtown Preservation District shall be located, constructed, reconstructed, altered, repaired or demolished unless a permit therefor is issued by the Zoning Administrator. No such permit shall be issued unless a certificate of appropriateness is issued for such purpose by the Architectural Board and unless the location, construction, reconstruction, alteration, repair or demolition thereof otherwise complies with the requirements of the Building Code and other ordinances and laws applicable and relating thereto.

Section 420-8.6.B. (Historic Downtown Preservation District) directs the Architectural Review Board to consider the following factors to be evaluated before issuing a Certificate of Appropriateness (COA):

1. The historical or architectural value and significance of the building or structure and its relationship to or congruity with the historic value of the land, place or area in the Historic Downtown Preservation District upon which it is proposed to be located, constructed, reconstructed, altered or repaired.
2. The appropriateness of the exterior architectural features of such building or structure to such land, place or area and its relationship to or congruity with the exterior architectural features of other land, places, areas, buildings or structures in the Historic Downtown Preservation District and environs.
3. The general exterior design, arrangement, textures, materials, planting and color proposed to be used in the location, construction, alteration or repair of the building, structure or improvement and the types of window, exterior doors, lights, landscaping and parking viewed from a public street, public way or other public place and their relationship to or congruity with the other factors to be considered by the Board under this section.
4. Any applicable provisions of the city's design guidelines.

Section 420-8.10. (Historic Downtown Preservation District) states that the Board shall prescribe the character, type, color and materials used in the erection, posting, display or maintenance of signs permitted in the Historic Downtown Preservation District, and, in so doing, the Board shall give due consideration to the purposes of such signs and require that they be in harmony with the exterior general design, arrangement, textures, materials, color and use of the building or structure on or at

which they are erected, posted, displayed or maintained and congruous with the purposes and objectives declared in 420-151, without defeating the purpose for which such signs are intended.

The Board shall take all of the above factors into consideration when considering the application. The Board shall not necessarily consider detailed designs, interior arrangement or features of a building or structure which are not subject to public view from a public street, public way or other public place and shall not impose any requirements except for the purpose of preventing developments incongruous with the historic aspects of the surroundings and the Historic Downtown Preservation District.

Staff Comment

Staff finds the proposed improvements meet the zoning criteria.
