Conditions of Issuance

§ 420-1.11. of the City of Lexington Zoning Ordinance outlines the conditions under which a conditional use permit may be issued. These conditions are as follows:

- 1) Conditional use permits may be issued for any of the uses for which a conditional use permit is required by the provisions of the zoning ordinance, provided that the governing body, upon a recommendation by the Planning Commission, shall find that:
 - a. The proposed use will not affect adversely the health or safety of persons residing or working in the neighborhood of the proposed use.
 - b. The proposed use will not be detrimental to the public welfare or unduly injurious to property values or improvements in the neighborhood.
 - c. The proposed use will not be in conflict with the policies and principles of the City's adopted Comprehensive Plan.
 - d. Adequate public services, including streets and other trafficways, utilities, police and fire protection, are or reasonably will be available to support the proposed use.
- 2) Where the provisions of this chapter require conditional use permits for certain parking lots and drive-in facilities in the Commercial District (Central Business) C-1, due consideration shall be given in general to the purposes of the C-1 District and specifically to the effect of such parking lot or drive-in facility on the historic pattern of buildings and, in particular, on the maintenance of a compact, efficient and attractive retail facade and arrangement of buildings; on the use of off-street circulation ways, including use of alleys; on the location of access points and relationship to traffic and pedestrian flow; and on the adequacy of off-street waiting area at drive-in facilities.
- 3) In granting any conditional use permit, the governing body shall give due consideration to factors relevant to the findings required by Subsection C(1) and (2), as well as to any other reasonable land use and zoning considerations as may be required by the nature of the proposed use or as may be otherwise appropriate to effectuate the intent of this chapter, and the governing body shall designate such conditions as it deems necessary to carry out the intent of this chapter. The application for such conditional use permit shall be accompanied by such written and graphic material as may be necessary to enable the Planning Commission and the governing body to make the recommendation and findings set forth above.
